Accelerated Learning for Arizona's English Language Learners

Day: Thursday, November 18, 2010
Session: 10:30 – Noon
Room: Aztec A

Presenters:

Marlene Johnston – Marlene.Johnston@azed.gov

Director of Assessment and Evaluation, Office of English Language Acquisition Services
Arizona Department of Education

Session Description:

This session will provide an overview of the components of Arizona's English language learner (ELL) program. These components were designed to accelerate English language acquisition for English language learners. The session will provide an overview of statewide ELL student performance since the passage of HB 2064 in 2006.

Presenter Information:

Marlene Johnston is currently the Director of Assessment and Evaluation for the Office of English Language Acquisition Services at the Arizona Department of Education. Current projects include developing and implementing systems for assessing and evaluating the performance of ELL students and ELL programs. Previous Arizona state government experience includes service in the offices of the State Treasurer, the Senate and the House of Representatives.
